

Homeschool Mom of 8

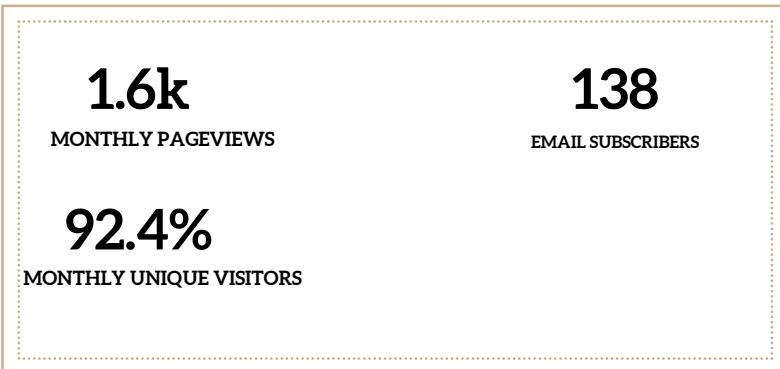

Homeschoolmomof8.com reaches millennials and the African American audience. Homeschooling is one of the fastest-growing choices of education, especially among the African American community. Consequently, it is a coveted demographic for a variety of brands.

Adrienne Brown

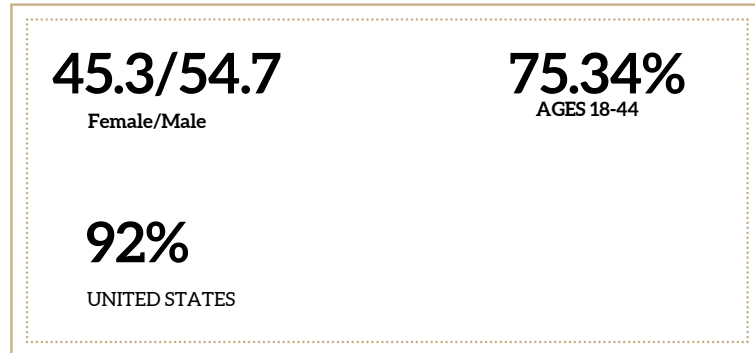

Women from all backgrounds find Adrienne through her probing, nostalgic stories and solutions that brought her phenomenal homeschooling success. Adrienne's stories of poverty, struggle, and triumph are heart-tugging victories for these women to aspire to. Each of Adrienne's encouraging achievements motivates them toward their own impressive homeschooling and parenting success. With readership in the thousands each month, Adrienne's followers come for instructions and authenticity.
